Dear Sir,

Greetings of the day!!

This is regarding the disbursement of student aid fund for the current academic year. The student aid committee invited applications from students giving them adequate time to apply. The applications were scrutinized and students were given time till 22nd March to update the certificates. In its meeting held on 30th March 2022, the student aid fund committee recommended giving a sum of Rs. 4500/- (Rupees Four Thousand Five Hundred Only) to each eligible student (attached list of eligible students). Kindly approve the same.

Upon receiving your kind approval, the list will be forwarded to the office to disburse money to the students. The committee also recommended addressing the grievances of the students, if any, latest by 15th April and a supplementary list of students may be released, if need be.

We request you to approve the list of students so that the disbursement process may be started.

Thanks and regards.

List of Student Aid Fund for the Academic Year 2021-2022
